tx.lnairport.com/en

Tel: +86-24/968 33

General info

Airport code: SHE

Number of Terminals: 1

Information

The terminal building has numerous information desks. There is also an information hotline, which can be reached by calling: +86-24/968 33.

How to get there

Driving Directions

To drive to the airport from the city center, follow the Danfu Expressway (toll road) to Taoxianzhen and then follow Airport Road.

Bus & Metro

The airport is served by several bus routes and by Shenyang's Metro service. An overview of the lines and departure times can be found on the municipality's website.

Shuttle

The airport's bus stops are served by the airport shuttle service, which has two lines. The shuttle bus to Shenyang North Railway Station (Liaoning Express Bus Station) takes around 40 minutes, and the journey to Shenyang Railway Station (Shenyang Highway Passenger Transportation Hub) takes around 60 minutes.

Coach

Coach services depart from the airport for various destinations such as Fushun (the Fushun service stops at Gebu Bridge South, Haicheng Street and Fushun Wanghua District Government), Liaoyang (Liaoyang Coach Bus Station), Anshan City Terminal, Benxi Coach Bus Station, Panjing City Terminal, the Guomao Building and Fuxin Coach Bus Station.

Taxi

There are taxi stands in front of car parks A and B at the airport. The trip to the city center takes around 45 minutes (depending on traffic). It is advisable to take only licensed taxis and to always ensure that the taximeter is running.

Useful tip: Not all taxi drivers can speak or read English, so it's wise to always take along your destination address written down in Chinese.

Car Parking

Parking is available (for a fee).

Facilities & infrastructure

Money

The Bank of China has a branch and cash machines in arrivals hall 2F.

Communications

Public telephones are available at the airport. Internet access via Wi-Fi is available in some but not all areas of the terminal building.

Food

There are various restaurants and cafes at the airport.

Luggage

The lost and found office is open 24/7 and it is located in departure hall 2F. Baggage trolleys are available for use free of charge.

Other

There are baby changing facilities throughout the airport.

Medical first aid is available from the airport clinic, which has medical centers in the 2F area for international departures and the 1F area for domestic arrivals.

Conference & Business

The airport has business centers that offer telephone and fax facilities as well as Internet access. The centers are located in the 2F arrivals hall and opposite the domestic arrivals area in 1F. SIM cards for Chinese mobile networks are also sold at these centers.

Accessibility

For the most part, the airport is accessible. Wheelchairs can be borrowed free of charge from all information desks. A special assistance service can be requested for passengers with limited mobility. Passengers requiring assistance should inform their airline during the reservation process.

Visa & Immigration
