Airport map and general info

SAN DIEGO INTERNATIONAL AIRPORT (SAN)

Airport code: SAN

Number of Terminals: 2

Information

Airport ambassadors staff Travelers Aid desks and two information booths in the Terminal 1 and 2 baggage claim areas. They are visible in their blue shirts with "Airport Information" emblazoned on the back.

Transfer between Terminals

The courtesy Airport Loop shuttle service provides free, 24-hour transportation between all terminals and the car parks.

How to get there

Driving Directions

San Diego International Airport is served by Interstate 5 with connections to SR163, Interstate 8 and Interstate 15.

Bus

The Flyer Route 992 (511sd.com) runs between the airport and central San Diego (journey time: 20 minutes), stopping at the Santa Fe depot for connections to trains linking North County to San Diego, and the Amtrak train station for nationwide services. Buses also connect to San Diego's trolley service.

Taxi

Taxi, limousine and shuttle bus services to hotels and central San Diego destinations are available from the 'transportation plazas' in front of each terminal.

Car Parking

Car parks are located in front of each terminal, with short- and long-term rates available. Long-term parking is available at 3302 Pacific Highway, connected to the airport by a free, 24-hour shuttle. There is also a 'cellphone lot' for drivers meeting arriving passengers.

**Facilities & infrastructure****Money**

ATMs are available throughout the terminal buildings. Bureaux de change are located in Terminals 1 and 2.

Communications

Post boxes are located immediately outside the main terminal buildings. Wireless internet access (Wi-Fi) is available. Public-use telephones can be found throughout the airport.

Food

There are more than 30 bars, fast-food outlets, coffee shops, snack bars and restaurants at San Diego International Airport.

Shopping

There are a variety of shops at San Diego International Airport offering giftware, souvenirs, news and books.

Luggage

A lost and found office (tel: +1-619/400 21 40) is located in Terminal 2 (West).

Other

AED (defibrillator) units are installed throughout the terminals. Bicycle storage lockers are available (for a small deposit). Shoeshine kiosks are situated in Terminals 1 and 2. Three „Lactation Rooms“ are each located post-security in Terminal 1 and Terminal 2. The „Spirit of Silence“, or Reflection Room, is a serene place for travelers to contemplate, meditate or pray, located post-security in Terminal 2.

Conference & Business

San Diego International Airport does not have a dedicated business centre. Several airlines provide club lounges for members and business-class passengers. The nearby Sheraton San Diego Hotel and Marina (tel: +1-619/291 29 00; sheratonsandiegohotel.com) has a business centre, a wide range of meeting

rooms, a ballroom and an exhibition hall.

Accessibility

Facilities for disabled passengers travelling through the airport include lifts, TDD phones and fully accessible toilets. The inter-terminal shuttle and Flyer Route bus are wheelchair-accessible. Disabled parking is available in all terminal car parks.

Passengers requiring wheelchairs and special assistance should inform their airline prior to travel, but on-site assistance is available from volunteer airport ambassadors throughout San Diego International Airport, and by calling from any courtesy or TDD phone.

Visa & Immigration

IATA Travel Centre

The IATA Travel Centre delivers accurate passport, visa and health requirement information at a glance. It is a trusted, centralized source for the latest international travel requirements. The IATA Travel Centre is the most accurate source available because it is based on a comprehensive database used by virtually every airline, and information is gathered from official sources worldwide, such as immigration and police authorities.
