How to get there

Facilities & infrastructure

Money

A bank and a bureau de change are located in the departures area. There are also ATMs available in the terminal, one of which performs currency exchange operations.

Communications

There is a post office in Departures. Free Wi-Fi access is available throughout the terminal building. The Mobitel Centre at the main entrance of the terminal rents mobile phones and sells mobile phone SIM cards and Wi-Fi cards/dongles.

Food

There are several bars and food outlets in the terminal building, some of which have outdoor seating during the summer months. Among the restaurants is a choice of self-service or à la carte dining.

Shopping

There is a small selection of shops at Ljubljana Airport. Shop Ljubljanček offers a wide range of Slovenian souvenirs, products and gift items, while the Medved store in Departures provides more general items. A duty-free shop is located in the international area and sells the usual range of perfumes, tobacco, alcohol and confectionary.

Luggage

The lost and found counter is situated in the baggage reclaim area (look for the lost

and found sign or the abbreviation 'LL'). It is also possible to telephone for information about lost luggage (tel: (04) 259 4339 for Adria Airways or 206 1226 for all other carriers).

Other

Medical services (tel: (04) 206 1641) are available for all passengers and visitors who need first aid treatment. The terminal also houses child play areas, massage chairs and a number of travel operators. The majority of the baby changing facilities are located in the ladies' toilets, but there is one facility in the terminal that can be used by both male and female parents.

Conference & Business

A large, modern conference hall (tel: (04) 206 1414) is located in a separate building at Ljubljana Airport and can host events with 100 participants or more, while a smaller room is available within the terminal. There is also a multipurpose hall, which is in front of the conference hall. Services at the venues include audio systems, presentation equipment and interpretation facilities.

The airport's business lounge offers basic business facilities, newspapers and complimentary refreshments. A spacious VIP lounge, which includes a press conference room with interpretation facilities, is also available.

Accessibility

Ljubljana Airport is accessible for disabled passengers, with wheelchairs available on request. Car parking spaces designated for disabled passengers are situated in the on-site car parks.

Visa & Immigration

IATA Travel Centre

The IATA Travel Centre delivers accurate passport, visa and health requirement information at a glance. It is a trusted, centralized source for the latest international travel requirements. The IATA Travel Centre is the most accurate source available because it is based on a comprehensive database used by virtually every airline, and information is gathered from official sources worldwide, such as immigration and police authorities.
