**Airportcode:** SFO

**Number of Terminals:** 4

#### Information

Airport information booths are located in the arrival areas of all terminals. Computerised information kiosks are available at the desks, 24 hours a day.

#### Transfer between Terminals

The 24-hour AirTrain light rail service links the terminals, parking garages, BART station and car hire centre.

### How to get there

#### Driving Directions

From central San Francisco, take Highway 101 south and follow signs to the airport. For access to the car hire centre, turn left onto Interstate 380 and turn right onto South Airport Boulevard. For access to the long-term car park, take Highway 101 south, exit at San Bruno Avenue/San Francisco International Airport, take the San Bruno Avenue exit, turn left and follow the signs.

### Rail

The Bay Area Rapid Transit (BART; bart.gov) operates an express rail service to northern San Mateo County, central San Francisco (journey time: 30 minutes) and the East Bay. BART services also connect to Millbrae Station, from where a Caltrain shuttle (caltrain.com) service runs between San Francisco and San José. Services are available from the SFO BART station on the departures level of the International Terminal. The station is linked to all terminals via the free AirTrain service.

### Bus

SamTrans (samtrans.com) buses operate from outside Terminal 1 and the International Terminal to destinations in San Mateo County, South San Francisco and Palo Alto. For further ground transportation information, visit the airport information booths or contact the Bay Area Transit information line (transit.511.org).

### Shuttle

Shared minibus shuttles are available from outside the terminals. A full list of shuttle companies is available on the airport website (flysfo.com).

### Taxi

Taxis depart from outside the arrival areas of each terminal. On arrival, contact the uniformed taxi co-ordinator or call 1191 from an airport courtesy phone. Taxi drivers are required under airport regulations to accept fares to all destinations.

### Car Parking

Short-term (hourly and daily) car parking, with direct access to the terminals, is available at both the domestic and international car parks (passengers flying to Canada should use the domestic terminal's parking garage). Long-term parking is located 3.5km (2 miles) north of the airport terminals – a free shuttle bus service links this area to the terminals. There is also a 'cell phone waiting lot' for drivers awaiting arriving passengers and valet parking in the domestic car park.

## Facilities & infrastructure

### Money

ATMs are available in all terminals, including the departure areas. Bureaux de change and automated currency exchange machines are located throughout the International Terminal.

### Communications

Free wireless internet is available in all public spaces. Telephones can be found throughout the terminals. Mobile telephones can be hired. Post boxes are located immediately outside the terminals.

### Food

There are numerous bars, cafés and restaurants in each terminal. These include American-style restaurants in Terminals 1 and 2, Mexican and Japanese eateries in Terminal 2 and the International Terminal, and a pub in Terminal 3.

### Shopping

A good selection of duty-free shops can be found in the International Terminal, while an additional duty-free kiosk is located in Terminal 1. Other shops include gift shops, newsagents, bookshops, clothing and accessories stores, sweet shops, toy retailers and cosmetic outlets.

### Luggage

There is a lost property office in the baggage reclaim area of Terminal 1 (tel: +1-650/82 17 014). Trolleys are available for a fee throughout the terminals. Left-luggage services are provided at the Airport Travel Agency in the International Terminal (tel: +1-650/87 70 422).

### Other

Other facilities at San Francisco International Airport include a medical centre (International Terminal), nurseries, showers, shoeshine services and spas. Those looking to fill time before flights can visit the aquarium in Terminal 1 and exhibitions at various points within the terminals. Special children's play areas are located in the departure lounges of Terminals 2 and 3.

### Conference & Business

The Airport Travel Agency in the International Terminal provides fax and photocopying services. Basic business services and mobile phone rental is offered at TripTel in the main concourse of the International Terminal (tel: +1-650/82 18 000).

## Accessibility

San Francisco International Airport is fully accessible to disabled passengers – passengers requiring wheelchairs should contact their airline prior to travel. There are TDD/TTY phones throughout the airport for hearing-impaired travellers. Disabled car parking is available for all car parks. The shuttle bus from the long-term car park is equipped with a lift, while taxis, SamTrans buses and Caltrain shuttles are wheelchair accessible.

## Visa & Immigration

### IATA Travel Centre

The IATA Travel Centre delivers accurate passport, visa and health requirement information at a glance. It is a trusted, centralized source for the latest international travel requirements. The IATA Travel Centre is the most accurate source available because it is based on a comprehensive database used by virtually every airline, and information is gathered from official sources worldwide, such as immigration and police authorities.
