General Information

Airport code: RUH

Number of Terminals: 4

Information

Each terminal has an operations office, which provides passenger information.

Transfer between Terminals

Only three of the four terminals are currently in-use (Terminals 1, 2 and 3). They are all housed within the same building and are linked by travelators. There is a fourth passenger terminal, Terminal 4, but this has never been used.

How to get there

Facilities & infrastructure

Money

Two 24-hour banks are located in Terminal 2, and there are ATMs in Terminals 2 and 3.

Communications

Free Wi-Fi is available in the terminal complex, as are internet kiosks. There is a post office in Terminal 2.

Food

Restaurants, snack bars and cafés are present throughout the airport, available 24 hours in both the domestic and international terminals. There are no bars as alcohol is forbidden in the kingdom.

Shopping

There is a selection of shops at Riyadh King Khaled International Airport, including an extensive duty-free facility selling a wide range of products other than alcohol.

Luggage

Luggage trolleys are available for use by passengers.

Other

There is a first aid centre open 24 hours a day, and a large mosque within the airport grounds.

Conference & Business

Business services, including five banquet and meeting rooms for up to 250 people, are available at the on-site Makarim Riyadh Hotel (tel: 011 2204 500; www.makarimriyadh.com).

**Accessibility**

Facilities for those with disabilities include adapted toilets, lifts, escalators, travelators and telephones. Reserved car parking spaces are available in the car parks opposite the terminals. Passengers requiring wheelchairs and special assistance should request this from their airline prior to travelling.

**Visa & Immigration****IATA Travel Centre**

The IATA Travel Centre delivers accurate passport, visa and health requirement information at a glance. It is a trusted, centralized source for the latest international travel requirements. The IATA Travel Centre is the most accurate source available because it is based on a comprehensive database used by virtually every airline, and information is gathered from official sources worldwide, such as immigration and police authorities.
