How to get there

Driving Directions

Pisa International Airport Galileo Galilei is within easy reach of Pisa, Genoa, Leghorn and Florence on the A12 motorway and the Livorno-Pisa-Florence dual carriageway.

Rail
Pisa Aeroporto railway station (tel: 89 20 21; www.trenitalia.com) is next to the terminal and can be accessed via a covered walkway. Services run to Pisa Centrale (journey time: 5 minutes; one-way fare: €1.10) and Florence (Firenze SMN), with eight trains running daily. Tickets are available at the airport information office in Arrivals.

**Bus**

Bus 1 makes several stops in the city centre. The service leaves from just outside the arrivals hall and from the Cassa Parcheggi outside the departures hall. Buses leave for the town centre every 10 minutes. The journey time is less than 10 minutes, and the fare is €1.10. There are also daily services to Siena and Livorno.

**Taxi**

CO.TA.PI (Pisa taxi cooperative) operates Radio Taxi (tel: (050) 541 600; www.cotapi.it), which runs a 24-hour taxi service from Pisa Galileo Galilei International Airport. CO.TA.PI also offers a collective taxi, which runs to the Pisa Centrale railway station and Ospedale Santa Chiara (for the leaning tower of Pisa), for a flat rate fare (€6-8). The journey to the centre of Pisa typically takes 10 minutes.

**Car Parking**

There are both short- and long-term car parks at Pisa Galileo Galilei International Airport, with space for 1,200 vehicles. Short-term parking is available just outside the Departures area in car park P3 and outside Arrivals in P8. Long-term parking is available in the multi-storey car park (P2) opposite the train station on the departures side and in the neighbouring P1 car park. The long-term P4 parking area by the petrol station is seasonal. Parking is free of charge for the first 30 minutes in P2.

**Facilities & infrastructure**

**Money**

A bank and a currency exchange desk are all available at Pisa Galileo Galilei International Airport.

**Communications**

Telephones can be found throughout Pisa Galileo Galilei International Airport, and there are internet points in both Departures and Arrivals. Wi-Fi access is available in all areas of the terminal.

**Food**

There is a pub, bar and café on the ground floor. On the first floor, there are three restaurants, one of which is self-service, and a bar.

**Shopping**

The shopping area, La Corte, has over 20 shops and can be accessed from both floors. There is a duty-free shop (for passengers leaving the EU) in Departures and a tax-refund facility is available.

**Luggage**

A left-luggage service is available at the information office (tel: 050 849 300). A porter service is available. For lost luggage enquiries, contact the Lost Properties Call Service (tel: 050 849 400), which is located in Arrivals.

**Other**

Other facilities at Pisa International Airport Galileo Galilei include a first aid station,
and a surgery (tel: (06) 5994 8863) where vaccinations are available. There is also a children's play area, a hairdresser, a chapel, a pharmacy – and even a branch of the Scuola di Danza E. Ghezzi ballet school.

Conference & Business
The Galilei Business Centre (tel: (050) 849 224) has one meeting room, which can hold up to 50 people, and two smaller rooms accommodating up to 10 people. The centre’s Etruria Hall has audiovisual equipment, including an overhead projector, microphone, slide projector and screen. There is also a VIP lounge.

Accessibility
Pisa International Airport Galileo Galilei is equipped with disabled toilets and lifts; there are also ramps inside and outside the terminal. TDDs are provided for the hearing impaired. Reserved parking is available in the short-term and multi-storey car parks. Disabled travellers should inform their airline of any special assistance required prior to travel.

Visa & Immigration
IATA Travel Centre
The IATA Travel Centre delivers accurate passport, visa and health requirement information at a glance. It is a trusted, centralized source for the latest international travel requirements. The IATA Travel Centre is the most accurate source available because it is based on a comprehensive database used by virtually every airline, and information is gathered from official sources worldwide, such as immigration and police authorities.
